

D I G E S T / B P O**TCS Joins UGS Partner Program**

Tata Consultancy Services (TCS) has joined the UGS Partner Program as a UGS System Integration Alliance Partner. The two companies will work to create focused solutions for key vertical markets such as telecom, pharmaceutical, chemical, oil and gas, and media and entertainment, using UGS' PLM technology. The relationship will help UGS enhance its market presence, reach new markets and penetrate into TCS' customer base with its PLM products, while TCS will leverage its global delivery capability and industry domain expertise to deliver customer specific solutions that provide strong return on investment.
